June Brides

When a gift is both useful and beautiful it is sure to be appreciated and just such a gift is what you want to give the June Bride. The ideal gift is something for the new home and we would suggest a set of the standard wedding gift of the South-west for more than a quarter of a century. Anywhere if it comes from Hixson's she will know how to appreciate it.

SILVER CYCLE

"OVERSUBSCRIBED"

Will be NEX'S ANNOUNCEMENT. If you want any of this WONDER stock you had better POSTAL or WESTERN UNION or SILVER CYCLE is the best SPECULATIVE BUY TODAY. But the OPPORTUNITY to BUY WILL SOON BE GONE FOREVER. J. A. D. SMITH, the man who is responsible for this stock.

NEVER DRILLED A DRY HOLE

He is the man who brought out OCEAN OIL which is one of the BEST BUYS in RANGER. It has practically made today 50% profit to all who have purchased it. It is probably the MOST ACTIVE stock on the EL PASO STOCK EXCHANGE. Smith having PICKED A WINNER in RANGER, now turns his attention to BURKBURNETT, and selected

SILVER CYCLE

as a WINNER. He says:

"I will give the stockholders ONE OF THE BIGGEST WELLS in the BURKBURNETT field on the SILVER CYCLE in Block 75—I am actually figuring on a 'GUSHER.'"

WE BELIEVE that SILVER CYCLE is in the same WONDER OIL FIELD that has made so much money for the stockholders in GOLDEN CYCLE which it ADJOINS, UNITED which is 200 yards from, and BURKBURNETT which is only a scant HALF MILE distant.

WE BELIEVE that just as the stocks made TREMENDOUS PROFITS, BURKBURNETT returning over \$3,000 for every \$100 invested, UNITED selling 8 for 1, GOLDEN CYCLE selling 7 for 1, THURFF NO. 2, selling for 14 for 1, and RANNEY selling 4 for 1, that HISTORY WILL REPEAT ITSELF in the case of SILVER CYCLE.

BUT—if you want to share in SILVER CYCLE PROFITS you had better "R. S. V. P." to J. A. D. SMITH'S INVITATION PRETTY PROMPTLY.

THIS MAY BE OUR FINAL WORD TO YOU before St. Peter slams the gate.

DEAR FOLKS:

BUSINESS took me to Scranton, Pa., during the week of May 12-17, and while there I was

fortunate in meeting forty-seven men who represent the IRON DIVISION of Wilson and Company—managers of branches and salaried.

It was during this week that the people of the Keystone State bubbled over with enthusiasm and a wonderful welcome to the men of the IRON DIVISION OF PENNSYLVANIA who had returned from France, after having performed in magnificent fashion

at a great sacrifice of life, but showing that indomitable courage and will power, which are attributes of the men of rugged character and physique that the hills of Northern Pennsylvania raise.

I wouldn't have missed this unexpected meeting of these forty-seven men for anything. Herefore my knowledge of the Wilson and Company organization has been limited largely to personal contact with the rank and file of workers in the Chicago and New York plants. It had not been my

pleasure to meet sales representatives in a convention of their own. The convention of the managers of branches and salaried of Wilson and Company in the Northwestern District of Pennsylvania, had been planned to discuss ways and means to better promote the sale of the Wilson Certified food products such as the smoked meats, bottled hams, sausage and canned fruits, vegetables and meats.

It was my privilege to sit in their meeting and I am very glad I had the opportunity, because these men have put it in their motto to promote the interests of their Chief, Thomas E. Wilson, who has put into the world and integrity into food products, something that has given his name and his products a reputation which permits his sales organizations in all sections of the country to sell Wilson Certified Brands under their good name and quality, without necessitating salesmen to carry samples.

I heard a new phrase used by one of the branch managers that I think is a "hooker," and I am passing it along to you because you will appreciate what it means for an organization to be backed up by men who are as proud of their achievements in food products as if they owned the business themselves.

This is what he said:

"Just it great, boys, to be associated with an organization of men who CONFIDENCE IS CERTIFIED as great an extent as the Certified products which we have the pleasure of selling? You can't beat that, boys, can you?"

Did you ever hear before the expression "Certified Confidence"? Do you appreciate what it means? How many friends have you got on your list in whom you have "certified confidence"?
